

# DUSTER XL

## King of the dusters!

- **Microfiber – static power**
- **Flexible and bendable**
- **Soft and fluffy – no scratches**

### FUNCTION

The ultimate tool for effective dusting. The ergonomic design with bendable head makes it easy to get at those hard-to-reach places. The microfiber attracts and holds on to the dust.

### AREAS OF USAGE

Excellent for all types of dusting in the house, at the office, in the car – everywhere that dust collects. Reaches behind radiators, cupboards and sofas, around the refrigerator, books, picture frames etc. Fits Smart's telescopic shaft for areas that are particularly difficult to reach, such as lights and ceiling fans.

### CARE INSTRUCTIONS

The duster can be cleaned by shaking it outdoors or, more thoroughly, by washing it in hot, soapy water. Then, rinse it in clean water and hang it up to dry.

### TECHNICAL SPECIFICATIONS

Microfiber polyester Polyester  
microfiber

### DUSTER:

Article number: 1116-02-6  
EAN Code 7 394 145 111 626  
6/box
