EU Des PATENT

*Smart Nature FSC® is a range of colorful dish brushes in a new appealing design. The Smart Nature FSC® dish brush line proves the perfect match of past time knowledge on material and actual requirements for good performance and quality.*

We can now present an exciting and trendy collection with a mix of plastic and FSC® certified wood, all united into a beautiful and ergonomic dish brush.

- Design, quality and performance
- A mix of certified wood/plastic
- Trendy, colorful collection

Designed by Mattias Mikaelsson, Sweden.

- Brush head with horsehair mix or nylon bristles.
- Built in scraper
- Handle in FSC certified beech wood

The horsehair mix is soft enough for silver, glass and crystal, yet still effective when washing pots and pans.
